AQUA NERA CRUISE ON THE AMAZON RIVER

B Breakfast **BL** Box lunch **L** Lunch **D** Dinner

4d/3n* (every Saturday)

1st day | Saturday | **L** **D**

High water season (Nov/May): Iquitos / Amazon River

Upon arrival at Iquitos, receive a warm welcome by the cruise crew and enjoy lunch at a local restaurant before boarding Aqua Nera. Settle into your generously sized suite as you begin one of life's greatest adventures. Following an introduction from the naturalist guides and a routine safety drill, gather at the restaurant for the first of many Amazonian cuisine experiences created by Aqua Nera's renowned consulting chef, Pedro Miguel Schiaffino.

Low water season (Jun/Oct): Iquitos / Nauta / Marañón River

Upon arrival at Iquitos, receive a warm welcome by the cruise crew. Board a private transfer to downtown Iquitos for a city tour and welcome lunch. Next, we head to Nauta port to board Aqua Nera. Settle into your generously sized suite as you begin one of life's greatest adventures. Following an introduction from the naturalist guides and a routine safety drill, gather at the restaurant for the first of many Amazonian cuisine experiences created by Aqua Nera's renowned consulting chef, Pedro Miguel Schiaffino.

2nd day | Sunday | **B** **L** **D**

High water season (Nov/May): Yanayacu-Yacapana River / Yarapa River / Ucayali River

Aboard the comfortable skiffs, we set sail from the Amazon River to the Yanayacu-Yacapana River. Ready your binoculars to spot tropical songbirds, black collared hawks and sloths. Line-fish for Amazon's notoriously ferocious piranhas while the naturalist guides share their knowledge of the Amazonia. In the afternoon, we sail to Yarapa River, a black water tributary of the Ucayali River. Here, we will embark on a stargazing session and an excursion in search of nocturnal wildlife.

Low water season (Jun/Oct): Amazon River / Tahuayo River

Head out at sunrise for a birdwatching session along the Amazonas River. After breakfast, embark on a skiff excursion from the Amazon River to one of its tributaries, Tahuayo. Learn about the region from the expert naturalist guides and go fishing for Amazonia's notorious piranhas. As the sun sets, head out for an evening excursion in search of wildlife, capped off by a stargazing session.

3rd day | Monday | **B** **L** **D**

High water season (Nov/May): Clavero Lake / Marañón River

We get an early start to the day to explore Clavero Lake aboard the comfortable skiffs. Here, villagers rely on traditional dugout canoes to get around. You will have the opportunity to swim in the lake's calm waters or visit native residents of Amazonia who will welcome you to their community with open arms. In the afternoon, we will explore the majestic Marañón River in search of different kinds of wildlife. In the evening, meet some of the crew members who have been working behind the scenes to ensure your exceptional experience aboard Aqua Nera.

Legendary PERU

Low water season (Jun/Oct): Clavero Lake / Ucayali River

Discover the magnificent black waters of Clavero Lake and pay a visit to the communities which live on its banks. Go kayaking, canoeing, or swimming before returning onboard for a sumptuous lunch. In the afternoon, head out for a short jungle walk in San Jose de Paranapur, a forest, where you will be able to see the famous giant water lilies. Before dinner, meet the incredible crew who have been working behind the scenes to ensure your exceptional experience aboard Aqua Nera.

4th day | Tuesday | B

High water season (Nov/May) or low water season (Jun/Oct): Nauta / Iquitos

In the morning, take a guided visit to the local market. Marvel at the regional produce of the Peruvian Amazon and sample exotic snacks if you wish. For those interested, there will also be an opportunity to visit an experienced beekeeper in the community of San Francisco.

Return to Aqua Nera for breakfast and to pack up. Before saying goodbye, we will visit the Manatee Rescue Center, a sanctuary for orphaned Amazonian manatees to rehabilitate before their release back into the wild.

** Note: All itineraries are subject to change, due to weather and other conditions. All times indicated are approximate, and are subject to change.*

5d/4n* (every Tuesday)

1st day | Tuesday | L D

High water season (Nov/May) or low water season (Jun/Oct): Iquitos / Nauta

Upon arrival at Iquitos, receive a warm welcome by the cruise crew. Board a private transfer to downtown Iquitos for a city tour and welcome lunch. Next, we head to Nauta port to board Aqua Nera. Settle into your generously sized suite as you begin one of life's greatest adventures.

Following an introduction from the naturalist guides and a routine safety drill, gather at the restaurant for the first of many Amazonian cuisine experiences created by Aqua Nera's renowned consulting chef, Pedro Miguel Schiaffino.

2nd day | Wednesday | B L D

High water season (Nov/May): Marañón River / Yanayacu-Pucate River

Rise with the sun for an early morning birdwatching session along the Marañón River and enjoy breakfast in the middle of the jungle. Next, visit an Amazonian village where you will be able to interact with native *riberenos* and witness an Aguaje palm harvesting demonstration.

Later, go swimming, kayaking, or canoeing in the Yanayacu-Pucate River and keep an eye out for the legendary pink river dolphins. Finally, board the skiffs again to cruise along Yanaquillo River for a dusk excursion in search of nocturnal animals.

Low water season (Jun/Oct): Marañón River / Yanayacu-Pucate River

Rise with the sun for an early morning birdwatching session along the Marañón River. After breakfast, head out for a morning wildlife excursion with a possibility to see sloths, great egrets, parrots, and Taricaya turtles. Later, we explore the Yanayacu-Pucate River and go fishing for Amazonia's notorious piranhas. End the day - with a dusk excursion in search of nocturnal wildlife.

Legendary PERU

3rd day | Thursday | **B L D**

High water season (Nov/May) or Low water season (Jun/Oct): Samiria River / Pacaya Samiria National Reserve

The rewards for our early start today are plentiful: a full day excursion including a picnic lunch orchestrated to the tune of the jungle symphony, fishing along the black waters of the Samiria River, and an option to go canoeing, kayaking, swimming, or on a jungle walk inside the Pacaya Samiria National Reserve.

On the way, back to the Marañon River after lunch, we venture out by skiff keeping an eye out for pink river dolphins.

4th day | Friday | **B L D**

High water season (Nov/May): Nauta Caño River / Jungle walk in Casual

As the day begins, embark on a morning wildlife excursion on the extraordinary black water Nauta Caño River. If you wish, embark on a bike ride from Puerto Prado Village to Santa Cruz Village along the riverbank.
