CUSCO (SACRED VALLEY): LAMAS VILLAGE EXPERIENCE

Join us in this unique walking experience where we will connect with the locals and learn about traditional activities in Lamay, a little village in the Sacred Valley of the Incas. We will start our walk by visiting the church of Lamay, built in the 17th century and filled with plenty of artwork. Then we will walk to Anacleto's bakery where he will tell us stories and share with us how important it is to see the main bakery of Lamay. Then, Abel or Yoni, will share with us all about guinea pig breeding and how a traditional activity has transformed into a

business opportunity. Marta or Modesta will demonstrate the process of making the "Chicha de Jora" a traditional fermented corn drink with plenty of benefits and strong cultural importance. We will be able to try the chicha and for a fresh taste of Lamay.

CUSCO (SACRED VALLEY): FARM & FOOD IN LAMAY 🇵🇪

On this special day of discovering Cusco and the Sacred Valley's gastronomy, we will explore local agricultural resources and biodiversity, putting traditional Andean cooking into practice. Starting with a visit to Huayllafara a traditional community perched high in the Sacred Valley, the locals will welcome us and share their knowledge of Andean agriculture. We will walk through their farms, learn about agriculture techniques passed down from the Incas, and taste local produce. We'll get hands-on with seasonal farming activities, delving into food processing methods like harvesting corn, washing the quinoa, doing *Huatia* in an earthen oven and preparing *uchucuta* (hot sauce). The experience culminates with enjoying a natural and local lunch with our hosts, offering a rich cultural interaction before we head back to your hotel.

CUSCO (SACRED VALLEY): LAMAY COMMUNITY DAY 🇵🇪

We will spend the day visiting a mountain community in Lamay, where we will learn about local life and customs, while contributing to their sustainable development. We'll head to the community where our hosts will share their customs and lifestyle. Our day will take us along the trails to recognize the wild flora and their medicinal and nutritional properties. We will participate in agricultural labor according to the season, explore the native crops and the ancient farming techniques. After a healthy traditional lunch, the local women will demonstrate their weaving arts and will talk about their role in their family and the community. In the afternoon, we'll return to Lamay and move on to our next destination.
