CUSCO: COCKTAIL TOUR

We will visit 3 different restaurants: the first one is "La Taberna Bar" of *Pachapapa Restaurant* with an introduction to pisco, its history and description of the fermentation processes. Here, we will taste 3 classes of pisco and prepare house cocktail (Cholo Sour, a sour based on coca). Then, we continue the tour visiting *Kion Restaurant* to prepare Ten'Cantalá, a cocktail based on pisco and kion. We finished the experience at the *Calle del Medio Restaurant* tasting a pisco punch and sharing a delicious appetizer.
