CUSCO: VILCANOTA – URUBAMBA (Full day) **L**

8.30am Transfer from Cusco to Pachar community in the Sacred Valley, where we will receive the rafting equipment and a safety briefing. After a little practice, we begin our journey through calm waters, while admiring spectacular views and archaeological remains. Then begin to experience class II and III rapids to end in "the slide", a strong class III that includes waves and small whirlpools. After the tour, you will have lunch at a traditional restaurant located on the banks of the river and managed by the local community. Finally, return to the Sacred Valley or Cusco.

Option to an upper section south of Cusco for passengers who are in Cusco

8.30am Transfer from Cusco to Cusipata community where adventurers will have a short safety briefing. The adventure begins descending the Vilcanota and across a narrow canyon with rapids class II and III. This trip will allow us to appreciate the beautiful scenery, people working on their crops, fishermen and Andean birds.
