PACAYA SAMIRIA AMAZON LODGE 3D/2N

1st day | Iquitos / Pacaya Samiria Lodge **L D**

Reception at the airport and transfer to the town of Nauta. On our way to the port of Nauta, we will visit **San Joaquín de Omaguas** and the Samuel Fritz Interpretation Center. In Nauta we take boats to continue our journey to the lodge, on the way we will visit the **Fundo Casual** (high water season) where we will go in search of species of flora and fauna. Upon arrival at the lodge, we give a warm welcome a descendant of the Kukama Kukamiria culture, and we can also enjoy a fruit drink station, from there we were invited to go to our cabins to leave the luggage.

After lunch, our guide will invite us to select a sustainable activity that we will do during our stay in the ecolodge (for example, planting a tree or a plant, learning 10 words in kukama, etc.).

To complete the experience, we will have the chance of touring the **Ethnobotanical Ecotrail** that will allow us to visit 10 species of the Amazon flora with the support of Amana (virtual guide generated by our augmented reality App).

After dinner, our guide will start a conversation on the myths and legends of the Amazon and will also invite us to tour the **Mythological Ecotrail** that will allow us to see and "meet" 5 characters from the Amazon mythology. Likewise, we will have the possibility of visiting the **Cosmovisión Ecotrail** that would present us the astronomical chart of the place where the ecolodge is located together with a narration about the cultural connection between Amazonian man and the cosmos, all this with the use of augmented reality technology. Dinner. Overnight.

2nd day | Pacaya Samiria Lodge **B L D**

After breakfast, our guide will invite us to take a **short tour in the Private Reserve** (restinga forest). Here, our adventurous spirit we will challenge with the significant biodiversity of the area. During our tour we will have the possibility of experiencing the **Ecotrail of Fauna** that will allow us to acquire more knowledge about 6 groups of species of the area through the narration of a virtual guide.

After having lunch, departure to the **Pacaya Samiria National Reserve**, Nauta Caño area. On our visit, we will **hike in search of pink and gray** by the creek of the same name dolphins we will be in contact with the vast variety of flora and fauna that the reserve offers.

Also, a **walk of interpretation of flooded forests**, where we will try to see some primates and sloths, during the journey we can identify birds and a variety of traditional fishing practice with the material used by the Amazonian man for subsistence.

After having dinner, **night excursion** through the surrounding forest to the ecolodge. Overnight.

3rd day | Pacaya Samiria Lodge / Iquitos **B L**

After having breakfast, **riverboat trip on the Marañon River** either to the Cocha Shiryacu or down the river (according to the season and conditions suitable for fishing activities). Visit to the **community of San Jorge** to interact with its members and understand their way of life and ancestral customs. Visit to the **Center for Kukama Women Crafts** (Pua Kamatawara) Project developed by Pacaya Samiria Amazon Lodge.
