

## Legendary **PERU**

### IQUITOS

*The city of Iquitos is located on the northeastern jungle of our territory, specifically in the Peruvian Amazon. It is one of the main river ports in Peru and its natural wealth and biodiversity make it a destination for those visiting our country. Here we can find one of the new seven wonders of nature: the Amazon River.*

### 1<sup>st</sup> day | Iquitos / Pacaya Samiria Lodge **L D**

Reception at the airport. Transfer to the **Manatee Rescue Center**, a refuge where volunteers and biologists will teach us about the work, they do to preserve this endangered species. Then, transfer to town of Nauta to visit **Sapi Sapi**, place that conserve different kind of animals. From Nauta, we will board the boat and sail towards the junction of the Ucayali and Marañón Rivers, to observe the origin of the **Amazon River**. Arrival at the lodge for lunch. In the afternoon, we will go for a **walk** where we will identify flora and fauna in the forest surrounding the lodge. Finally, **nocturnal excursion** to locate the demdrobates, tiny poison-dart frogs characterized by their bright colours. Return to the lodge to have dinner. Overnight.

### 2<sup>nd</sup> day | Pacaya Samiria Lodge **B BL D**

After breakfast, we will go to the **Pacaya Samiria National Reserve**, with a cold lunch on board. During the excursion, we will search for pink and gray freshwater dolphins near the place called Nauta Caño. We will also go for a **walk through the flooded forests**, to try to see some primates and sloths. During the journey, we can also observe a variety of birds and the traditional Amazonian subsistence fishing practice. Then, return to the Lodge, visiting along the way, the women's crafts center (seasonal) of the **San Jorge community**, known for their work with natural *Chambira* fiber and Wingo or pumpkin carving. Dinner and overnight.

### 3<sup>rd</sup> day | Pacaya Samiria Lodge / Iquitos **B L**

After breakfast, **hike through the resting forest** to see a variety of timber-yielding trees and birds native to this forest. Return to the lodge to have lunch. Transfer to the airport.
